Frankfurt/M., Germany

PROFITABILITY AND SALES

Profitable growth continues

- Revenue increased 24%, EBIT increased 23% y-o-y (POC)
- Good profitability in Construction Segments
- Successful market attack in business premises in Finland
- Building Services in Germany developed strongly

ORDER BACKLOG

Good development in order backlog

- Order backlog strengthened
- Acceleration of start-ups in 2011 in both Construction Segments compared to 2010

OUTLOOK

Favourable outlook intact

- YIT expects growth in revenue and clear growth in operating profit in 2011*
- Good profitability improvement potential
  - Housing in Russia in Construction Services
  - Germany in Building Services Central Europe
  - Current underperformance in Building Services Northern Europe
- However, uncertainty of the general macroeconomic development has increased

Market outlook 2011

Building Services Northern Europe

Envac
Pipeline systems
for waste collection

Service growth expected to exceed project business growth

- Good opportunities in all countries in service and maintenance
- New investments in building systems are expected to increase slightly
- High energy prices and tightening legislation supports the demand for energy saving solutions
- Industrial investments in Finland started to increase in 2010 from low levels, slight increase expected in 2011

Eastern Europe and Russia

- Service market developing in Eastern Europe and Russia

Operating profit — *% of revenue*

EBIT in Building Services Central Europe in Q2/11 includes EUR 5.0 million sales gain related to the divestment of Hungarian operations. EBIT-margin in Q2/11 excluding the sales gain would have been 3.7%.

Together we can do it. YIT

Market outlook 2011

Building Services Central Europe

the m.pire
Munich, Germany

The service and maintenance market is expected to grow at the same rate as the project market

- The opportunities for growth in service and maintenance are favourable especially in Germany
- New investments in building systems are expected to return to a relatively good level throughout YIT's market area in Central Europe, with Germany and Austria leading the recovery
- New investments in building systems are expected to grow by 2-4 percent in 2011
- Investments by industrial customers started to increase during the previous year and demand for business premises is also growing

Energy efficiency services expected to grow

- High energy prices and tightening environmental legislation support the demand

Together we can do it. YIT

Construction Services Finland

Together we can do it. YIT

Good development: residential and business premises performing well

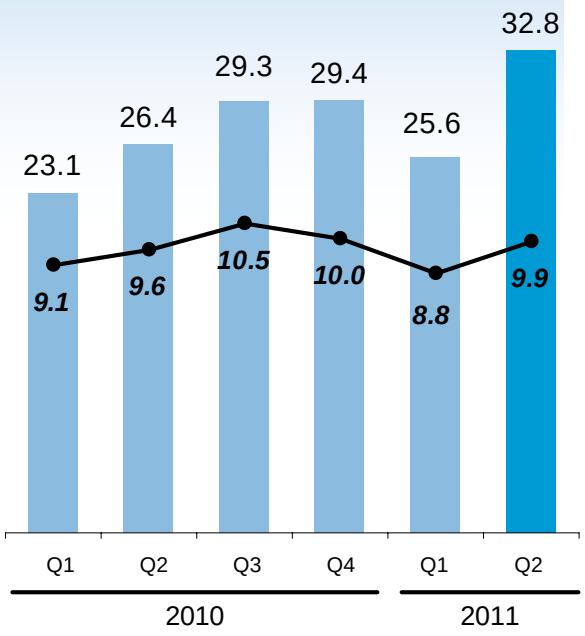

Revenue (EUR million)

Change Q2/10 - Q2/11: 21%

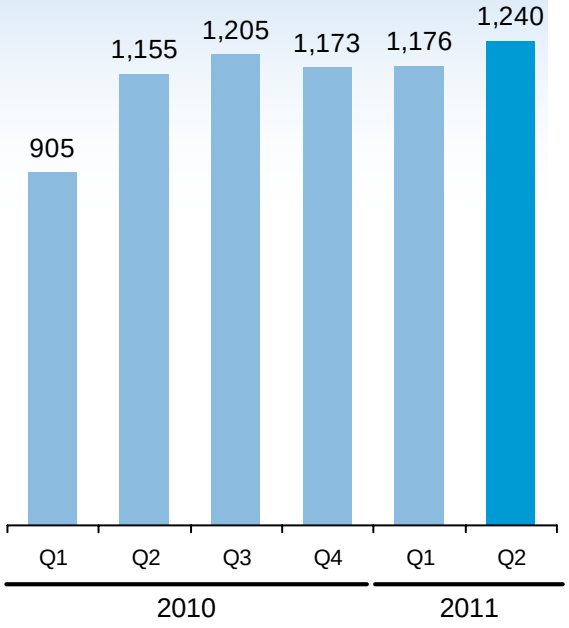

Operating profit (EUR million)

Change Q2/10 - Q2/11: 24%

Order backlog (EUR million)

Change Q2/10 - Q2/11: 7%

All figures according to segment reporting (POC)

Operating profit — *% of revenue*

The operating profit of the segment includes EUR -1,6 million (4–6/2010: EUR -0.6 million) of borrowing costs according to IAS 23. EBIT margin in Q2/11 excluding these costs would have been 10.4% (Q2/10: 9.8%).

Together we can do it. YIT

Market outlook 2011

Construction Services Finland

Merihelmi
Kokkola, Finland

Residential Construction

- Forecasted housing start-ups 31,000 units in Finland in 2011 (Confederation of Finnish Construction Industries, August 2011) while the estimated long-term annual need is 35,000 units
- Housing demand is expected to remain on a good level: it is supported by relatively low interest rates, migration and demographic factors
- Housing prices expected to increase slightly
- Construction costs increasing

Business Premises Construction

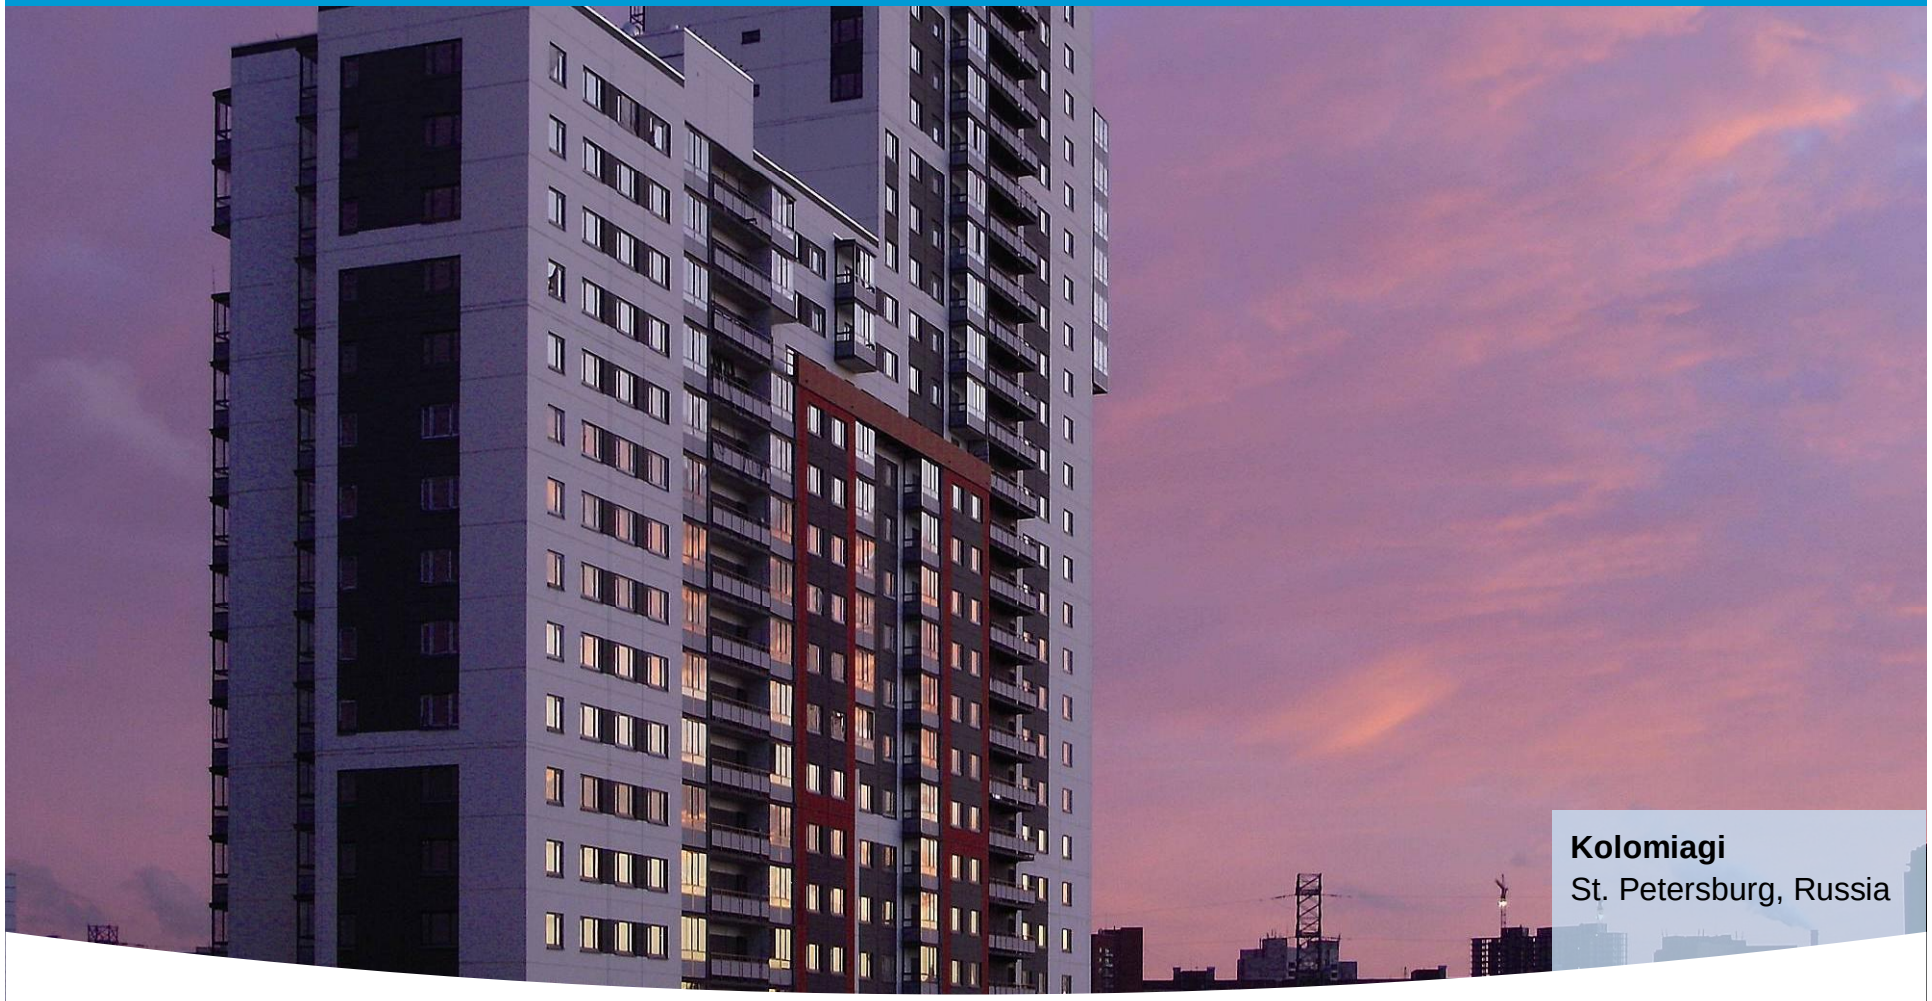

- Market has improved: rents expected to rise in 2011
- Vacancies in the office sector high, but part of empty premises may not return to use due to low quality and bad locations
- Commercial and logistics construction remains stable

Infra Services

- Potential route projects will start in 2011 and 2012
- Risks related to public investments and delayed decision-making

Together we can do it. YIT

International Construction Services

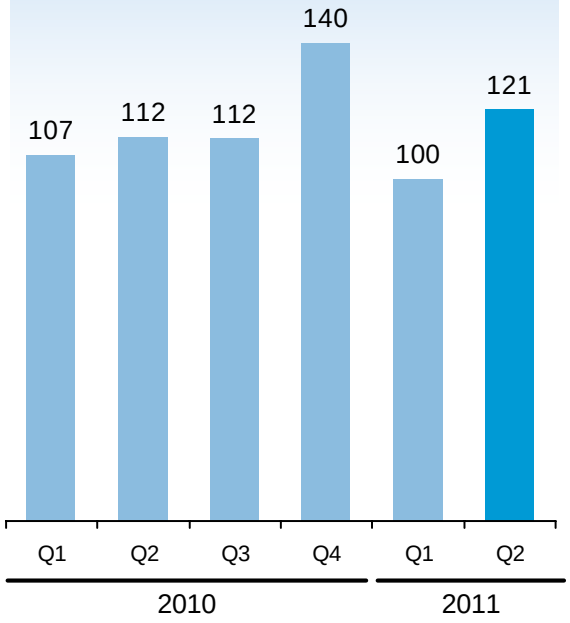

Kolomiagi
St. Petersburg, Russia

Together we can do it.

Solid improvement in profitability, business volume increasing

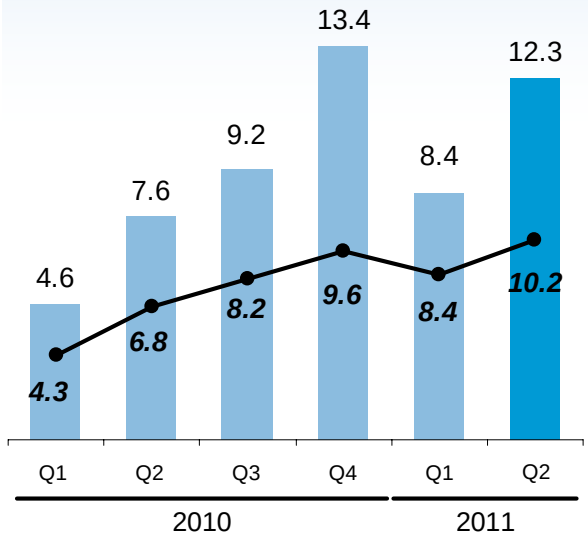

Revenue (EUR million)

Change Q2/10 - Q2/11: 7%

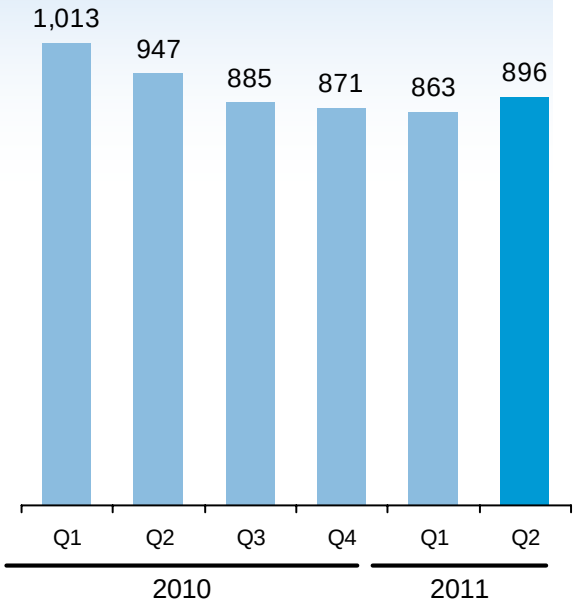

Operating profit (EUR million)

Change Q2/10 - Q2/11: 62%

Order backlog (EUR million)

Change Q2/10 - Q2/11: -5%

All figures according to segment reporting (POC)

Operating profit — *% of revenue*

The operating profit of the segment includes EUR -0.8 million (4–6/2010: EUR -0,1 million) of borrowing costs according to IAS 23. EBIT margin in Q2/11 excluding these costs would have been 10.9% (Q2/10: 6.9%).

Together we can do it. YIT

Market outlook 2011

International Construction Services

Russia

- Huge long-term need for housing
- Housing demand and prices expected to increase in 2011
- Mortgage market development supports demand
- Increase in inflation will be seen also as higher construction costs

The Baltic countries, the Czech Republic and Slovakia

- Signs of improvement in the market
- Long-term need to improve living conditions
- Housing demand expected to increase
- Construction costs increasing

Merenkulkijanranta
Helsinki, Finland

Together we can do it. YIT

YIT's financial targets and growth strategy

Together we can do it.

YIT’s strategic target levels

- Average annual growth in revenue > 10%
- Return on investment 20%
- Cash flow from operating activities after investments sufficient for dividend payout and debt reduction
- Equity ratio 35%
- Dividend payout 40–60% of net profit for the period

Together we can do it.

YIT strategy 2011-2013

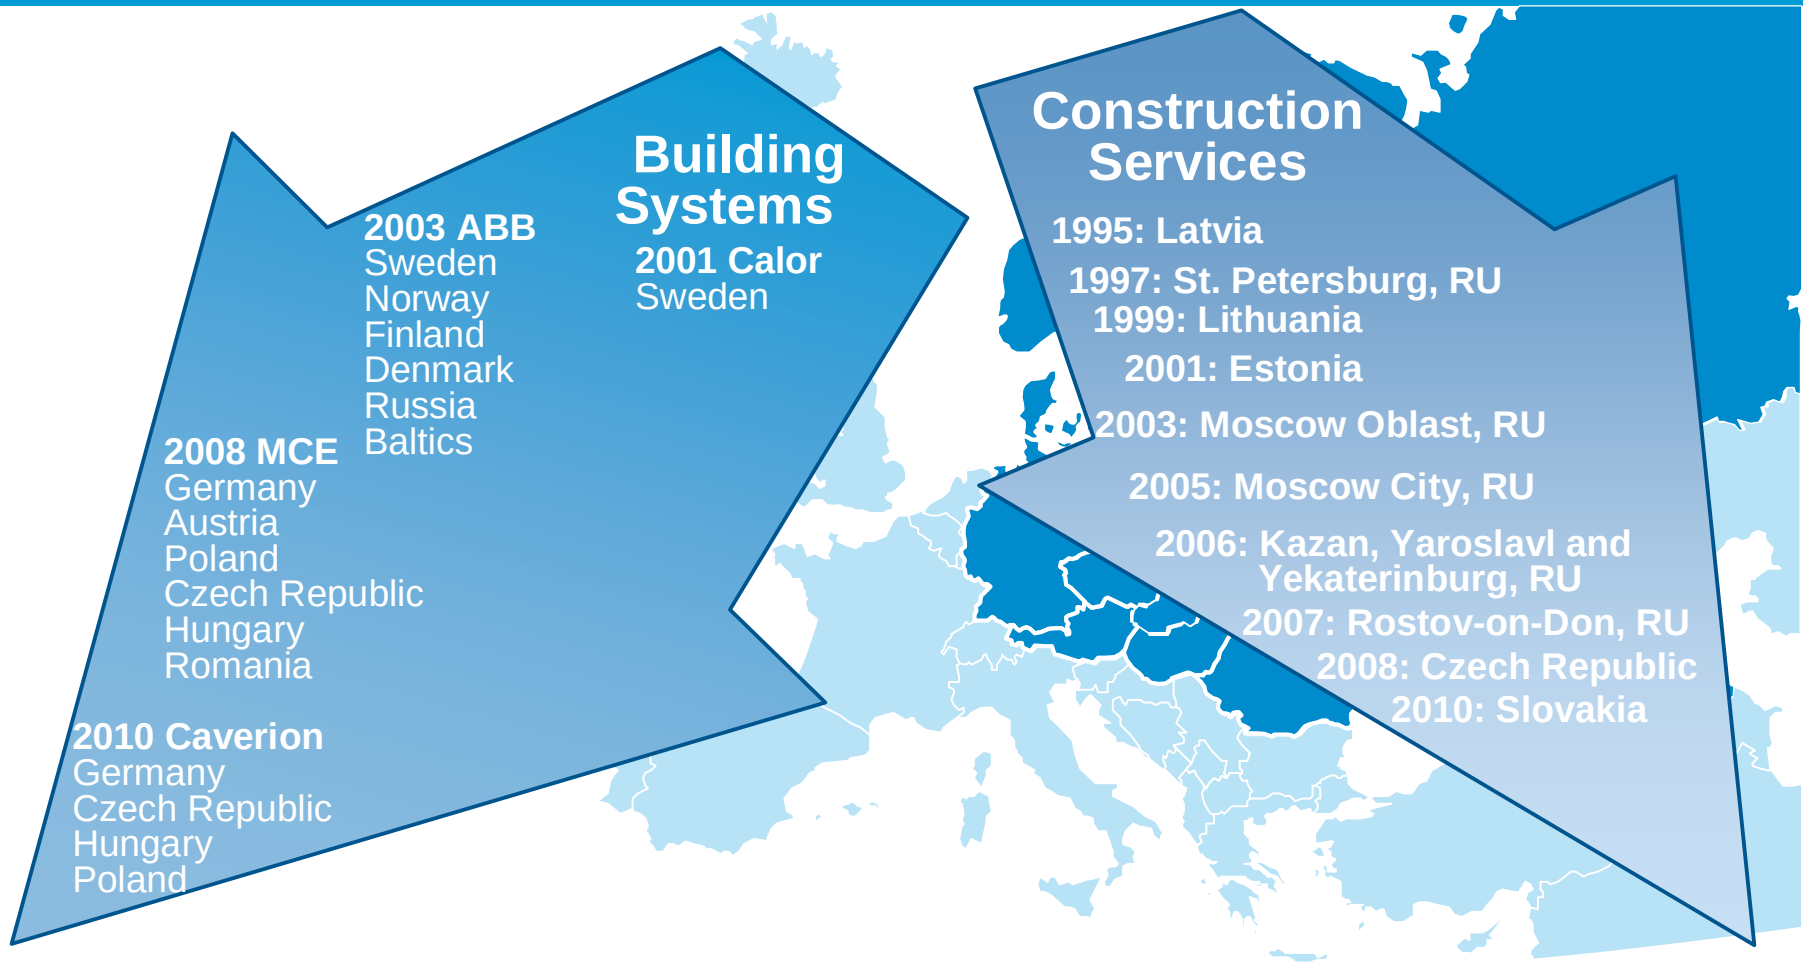

- Revenue growth target >10% per year
  - Acquisitions and organic growth
- Business focus
  - Building services: Service and maintenance
  - Construction services: Residential production
- Geographical focus
  - Building services
    - Nordic countries & Central Europe
    - Potential expansion to Great Britain, Netherlands, Belgium
  - Construction services
    - Finland, Russia, Baltic countries, Czech and Slovakia
    - Potential expansion to Poland

Together we can do it.

Expanding geographical presence through acquisitions and joint ventures

Together we can do it.

Growth drivers in Building Services

Technical service and maintenance	• Share of technology in buildings increases • Efficiency targets – Potential for outsourcings
Requirements for energy-efficiency	• Tightening legislation • Energy consumption continues growing • Need for modernization and investments in energy sector

Market consolidation	• Very fragmented market
	  – YIT aims to increase market share particularly in Central Europe
	• Economics of scale for large players
	  – Wider service portfolio

Together we can do it.

Building Services: Northern and Central Europe
Growth potential in fragmented markets

Competitors and market shares in largest BIS countries (net sales in 2010):

Finland*
1. YIT (6%)
2. Lemminkäinen (3%)
3. Are (2%)
4. Sähköpeko*** (0,7%)
5. EMC Group (0,6%)

Sweden*

Good possibilities to increase service and maintenance in Central Europe

Service and maintenance revenue in Northern Europe

EUR 611 million in 1-6/2011

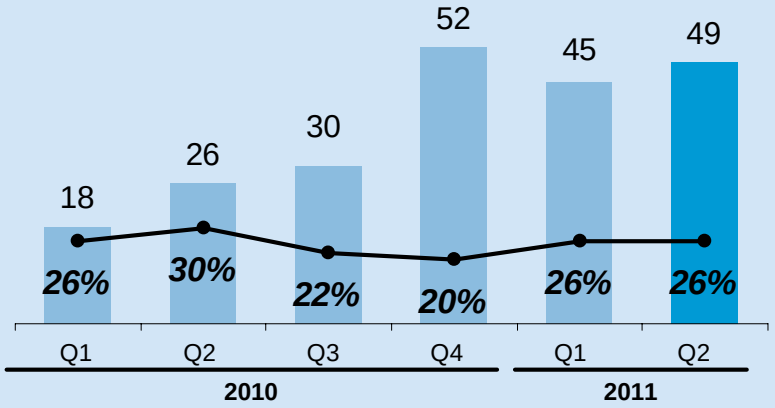

Change from 1-6/10: 4%

Service and maintenance revenue in Central Europe

EUR 94 million in 1-6/2011

Change from 1-6/10: 112%

Together we can do it.

Growth drivers in CSF

Need for new housing	• Migration • Increasing population • Smaller family-sizes • Increasing rents
Need for business premises	• Concentration to growth centres • City centre development, area development • Need for space vs. vacancy rates • Modernisation needs, change of purpose
Possibilities in infra services	• Traffic-related projects • Road and regional maintenance

Growth drivers in ICS

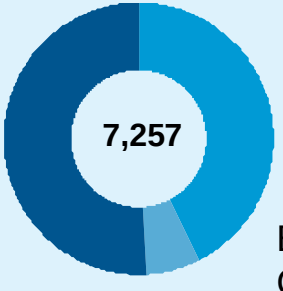

Need for new apartments in Russia	• Low living space and quality of existing buildings • Increasing share of middle class with improving purchasing power • Increase in number of households, smaller family-sizes • Political support for housing development • Developing mortgage market
Possibilities in the market in the Baltic countries, Czech Republic and Slovakia	• Living space and quality, demand for modern apartments • Housing markets very fragmented in CEE - only a few bigger players in residential construction
Need for business premises	• Western investments • Need for retail space • A-class office space

YIT in Russia: A significant foreign housing developer

Residential development

- Operations in St. Petersburg, Moscow Oblast, Moscow, Kazan, Yekaterinburg, Rostov-on-Don
- Development projects on own plots: Multi-storey buildings, townhouses and single-family houses
- Varying levels of finishing
- Maintenance and services to residential buildings

Commercial real estate development

- Office and retail premises, logistics, shopping centres
- Own development projects on own plots

Building Services

- Operations in St. Petersburg and Moscow
- Projects and maintenance mainly for western clients

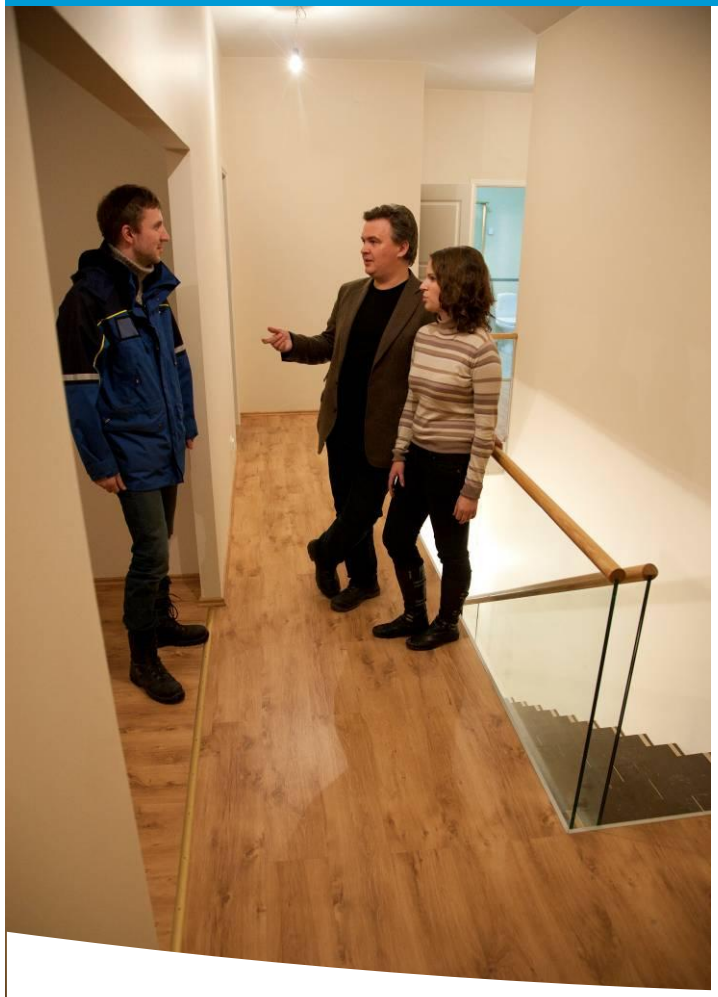

In 2010 Russia accounted for:

- 14% of YIT Group revenue
- 33% of Group invested capital
- 9% of Group personnel

Together we can do it. YIT

YIT's competitive edges in the Russian housing market

- **Experience in the target market, solid knowledge of local legislation and municipal procedures**
  - 50 years' experience in operating in the Russian market
  - Local management
- **Efficiency in design**
- **Versatile housing offering in good locations**
- **Customer orientation and tailoring the offering to the customers' needs**
  - Vast service portfolio: own residential sales personnel, cooperation with local banks, maintenance
  - Agility and adjusting the offering to respond to changing consumer needs, several levels of finishing
- **Reputation as the most reliable developer**
  - YIT has completed and will complete all the housing projects started according to promised schedule and content

Summary

Konepaja,
Helsinki, Finland

Together we can do it.

Priorities in 2011

1 Key growth focus areas

- Residential construction
  - Utilise the possibilities in Russian residential
- Service and maintenance
- Germany

2 Profitability potential

- Execution of profitability improvement programme in Building Services Northern Europe
- Potential for further profitability improvement especially in German Building Services and housing in Russia

3 Capital efficiency

- Stronger cash flow in Russian residential meaning more business with the same invested capital

YIT is well prepared also for weaker times

- Good liquidity position
- Ability to scale down own based production
  - Pre-sales part of risk management
- Balanced business portfolio
- Fixed cost management
- Risk management
